

ABOUT CHILD LEGACY

CHILD LEGACY INTERNATIONAL, INC IS A CHRISTIAN NON-PROFIT ORGANIZATION WORKING IN AFRICA TO TRANSFORM LIVES BY PROVIDING OPPORTUNITIES THAT BREAK THE GENERATIONAL CYCLE OF POVERTY AND DESPAIR, AND SUPPORT EACH PERSON'S PURSUIT OF THEIR GOD-GIVEN DESTINY

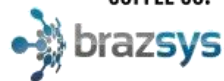

Child Legacy International was founded by Jeff and Karen Rogers in 1987, after years of experience in international aid and relief work led them to realize that meeting immediate needs was not enough to produce lasting change in the developing world. They designed and strategically implemented a Sustainable Program Development Model in rural Zimbabwe, offering healthcare, job training, education, and practical agricultural innovations — all 100% powered by renewable energy.

In 2007, Jeff and Karen Rogers moved to rural Malawi in order to replicate their Sustainable Program Development Model on a larger scale. In less than a decade, CLI's Malawi Campus has earned national recognition for its unique and effective approach to development, bringing real change to one of the poorest and least developed countries in the entire world.

Child Legacy's Impact in Rural Malawi

- Over **520,000** rural patients treated for free, including over **7,600** infants safely delivered with **zero** maternal deaths.
- Nearly **10 million** people provided access to clean water through nationwide well repairs
- Over **100 acres** of organic crops and produce, plus an additional **200 acres** of commercial bamboo and macadamia trees to provide training for local farmers and to promote overall economic growth & sustainability.
- Hundreds trained via professional apprenticeship, plus a scholarship program for degrees in fields critical to the nation's development
- Over **87,000** salvations through church-planting, community outreach, and well repairs
- The first and only Community Hospital and Operating Theaters in the continent's region powered by 100% renewable energy

DISTANCE TO NEAREST SCHOOL
300 m

87,000+ villagers have responded to the gospel since 2008!

**6 people from
CHAKUYINGA
VILLAGE gave their
lives to the Lord!**

PROBLEMS ENCOUNTERED

The well pad condition was good. Pipes, cylinder, fulcrum pin, hanger pin, bush bearing, rods and rod centralizers were in bad shape

Christian Witness: The scripture teaching included the story from Luke 19:1-20, where Jesus tells Zacchaeus, and those listening, that He came to seek and to save the lost. The team then prayed as 6 people gave their lives to Jesus Christ! The villagers thanked and praised God for this day!

Community Testimony: The villagers were going to the nearby village for their water needs, where they were paying a fee to use the pump. It was difficult for them, as not everyone could manage finding money on a daily basis to pay for the water. They thanked CLI for the repair and praised God.

2022 Fundraisers: Mount Kilimanjaro, Malawi Mission, Machu Picchu, Rainbow Mountain, Everest Base Camp, Colorado 14'ers
